MUSIC COLLECTION ANALYSIS

Exploring my musical taste

WHAT'S THE GOAL?

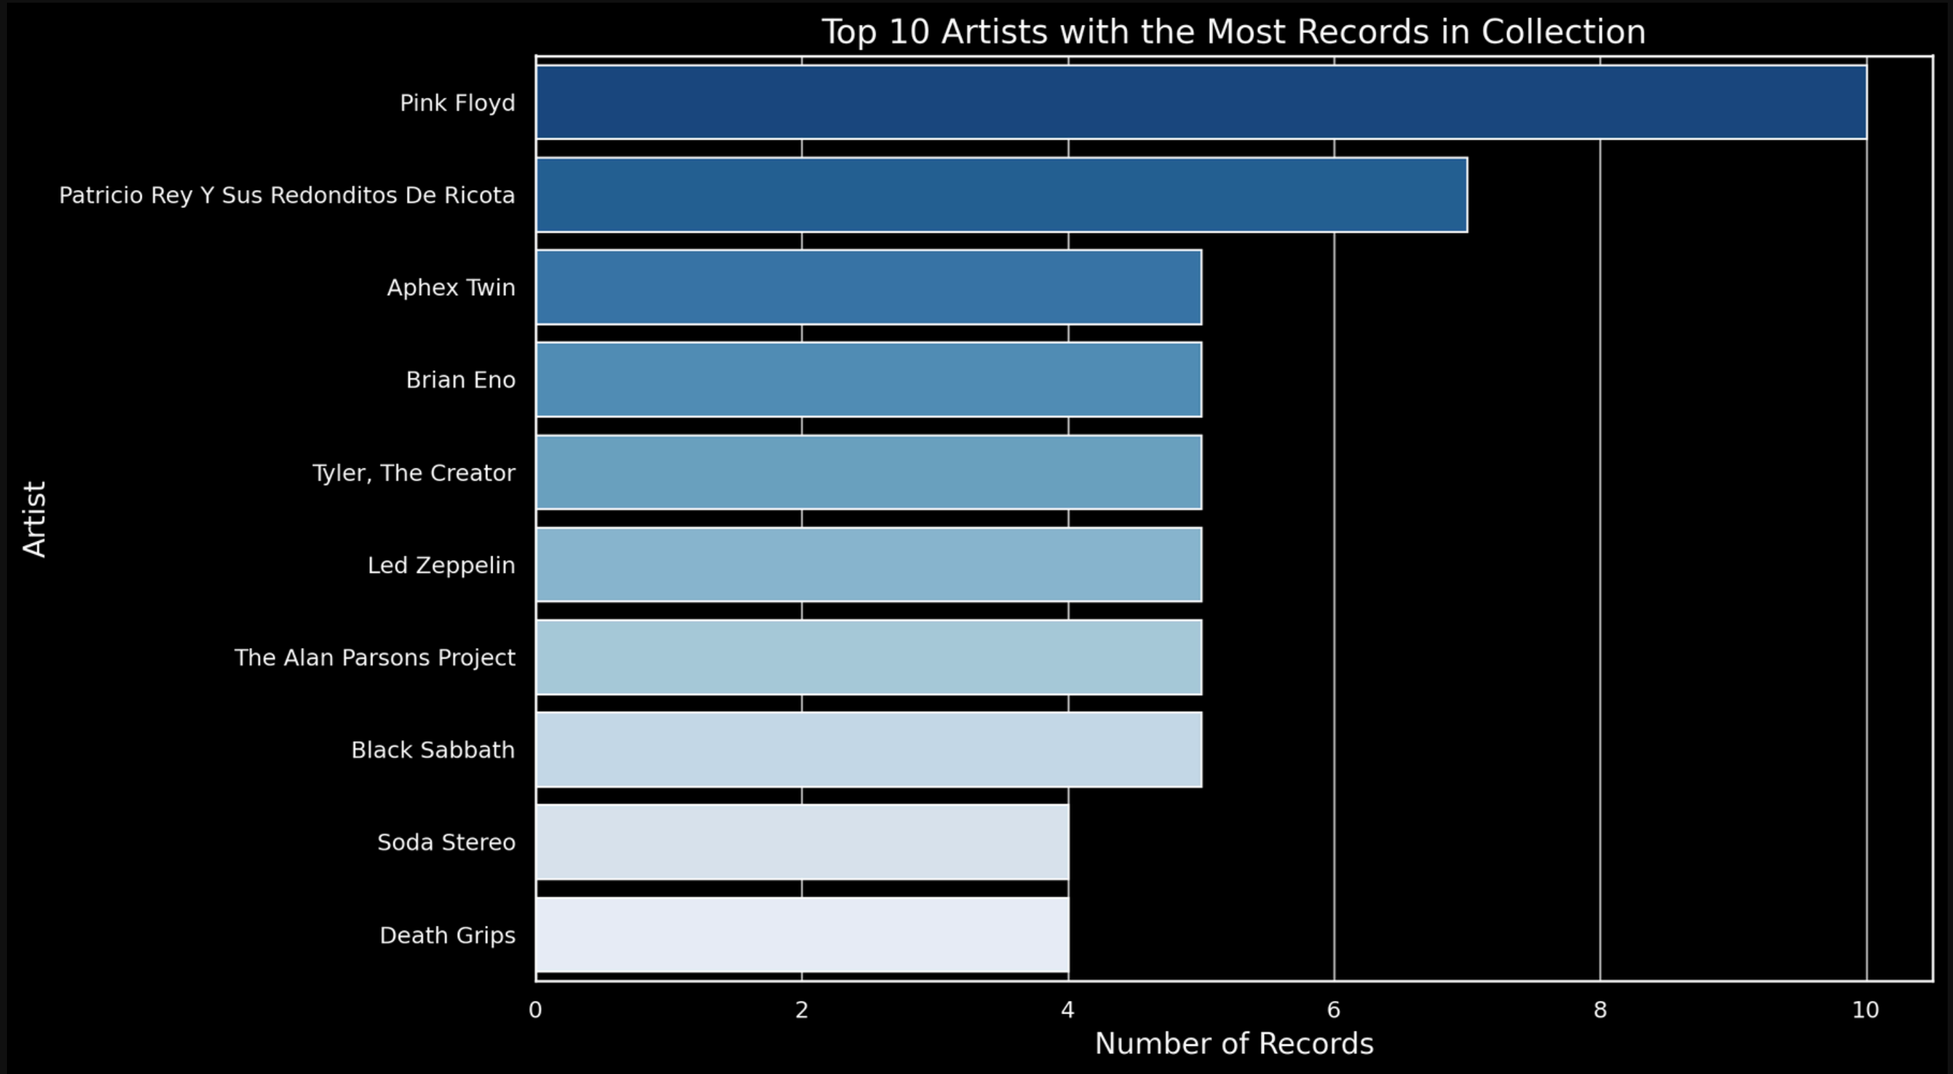
To showcase what I've learned in Data Analytics

HOW MANY UNIQUE ARTIST DO I HAVE IN MY COLLECTION?

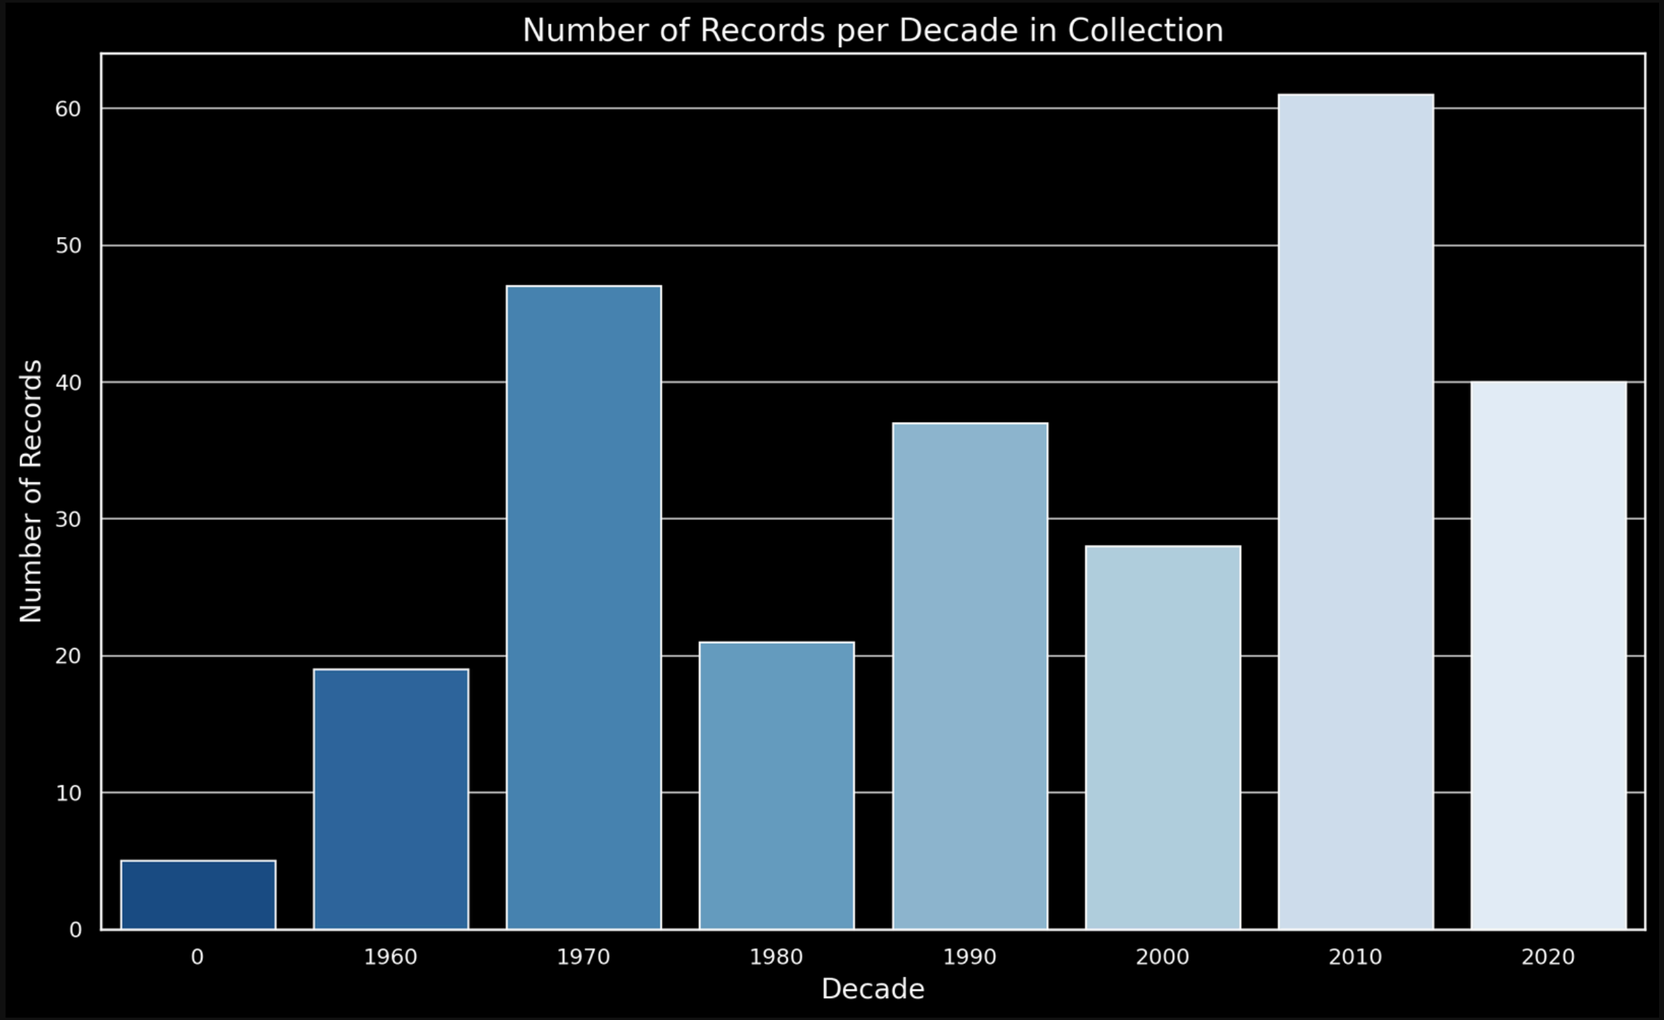
258 records

131 unique artists

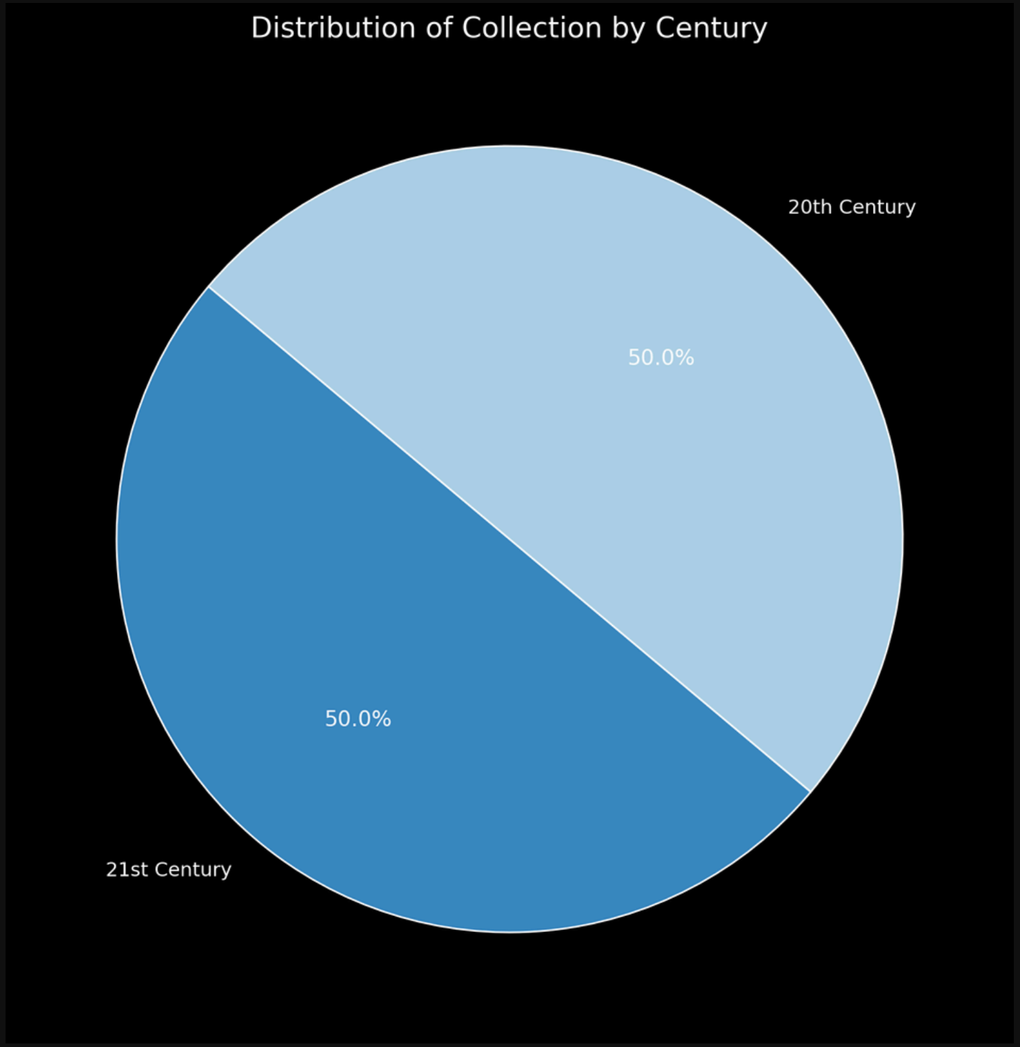
WHICH ARTISTS HAVE I LIKED THE MOST?



HOW MANY RECORDS PER DECADE ARE IN MY COLLECTION?



HOW IS THE COLLECTION DISTRIBUTED BY CENTURY?



INSIGHTS

1. Pink floyd is my favourite band with 10 records on my collection

2. 10's and 70's are my strongest decades while 80's and 60's my weakest.

3. Surprisingly the collection is 50% per century. This balanced distribution shows an equal appreciation for both classic and modern music.
